## Apply now for the Transformative Action Award!

The **Transformative Action Award** rewards ongoing or concluded innovative local and regional initiatives that achieve a socio-cultural, socio-economic and technological transformation of societies by using the pathways identified in the **Basque Declaration**.

**Cities, regions** and **civil society** organisations are invited to submit their applications.

We are looking for transformative actions with a high level of innovation, for example in terms of **social innovation and civic economy**, that inspire others to replicate the action elsewhere in Europe.
